

# New student registration

## Sweetwater County School District #2 NEW STUDENTS (Kindergarten through 12th Grade) ENROLLING FOR SCHOOL YEAR 2022/2023

If your family is new to the District and if you have not already registered for the 22/23 school year, please visit at least one of your children's schools, or email [registration@swcsd2.org](mailto:registration@swcsd2.org) to receive a link to our on-line registration system.

See our website [www.swcsd2.org](http://www.swcsd2.org) (click on Menu then the Registration button) for [school boundaries](#) and [school contact information](#).

Early registration will not only assist the District in determining seat counts, but will help ensure the best chance for your child to attend their home school or have a voluntary transfer application approved due to class size restrictions.

What to include with the registration process:

- Certified Birth Certificate (KG's must be received prior to 8/17/22)
- Immunization Record (KG's must be received prior to 8/17/22)
- Utility statement with proof of address

### Kindergarten (KG) only:

*Schools will contact parent/guardian(s) to set up a screening date to determine kindergarten readiness.*

***Registration does not guarantee enrollment approval on children born after August 1, 2017.***
